

ALDERMAN-AT-LARGE
SCOTT F.
LENNON
WARD ONE

October 15, 2015

Dear Friend,

This November is an important election in our city. I take great pride in your ongoing support, friendship and guidance you have provided me over the years. By you sending me back to City Hall every two years, I have the ability to work with many dedicated, thoughtful, hard-working colleagues on the Board of Aldermen on behalf of all of you.

Starting in January of 2016, I will be going back to City Hall to continue the ongoing work. I want to do it with many of my colleagues who are up for re-election this fall. For this reason, I write this letter of support for my friend Alderman-at-Large from Ward 2 *Marcia Johnson*.

For years, Marcia has been incredible to work with. As President of the Board, I depend upon her leadership as Chair of the Zoning and Planning Committee. It is a complex committee that requires someone who is a strong leader, well organized and possesses a multitude of skills such as being a thoughtful planner, critical thinker, resilient problem solver and overall hard-working individual. Marcia is the whole package and the real deal!

Marcia takes great pride in her 'official' Board work but also spend a tremendous amount of time on constituent matters. I have first-hand experience working with her on a variety of issues facing our abutting wards. I know that her experience and knowledge, along with her effective communication skills, have had a huge impact on the quality of life for many, many residents throughout our city.

On November 3rd, I am asking that you join me in voting for my friend and colleague, Alderman-at-Large from Ward 2 *Marcia Johnson*.

Thank you,

Scott F. Lennon, President
Alderman-at-Large, Ward One
Board of Aldermen
